

To Our Valued Industry Partners:

ITW Thermal Films invites you and your associates to visit us at:

23-26 September, Brussels

**LABELXPO**  
**Europe 2009**

[www.labelexpo-europe.com](http://www.labelexpo-europe.com)

**Brussels Expo in Belgium**  
**September 23-26, 2009**

**Hall 6, Stand 6H25**

**The Right TTR and Label Combination for your Specific Application**

Visit us at Label Expo Europe 2009, [Hall 6, Booth 6H25](#) to learn more about ITW Thermal Films Extreme Solutions™ program, a comprehensive new value-added online program that allows you to quickly and easily find the thermal transfer ribbon/label combination for your specific bar coding printing application. Extreme Solutions™ partners ITW Thermal Films with some of the world's leading substrate manufacturers and focuses on better understanding a specific market sector's labeling requirements in demanding market sectors such as: automotive, chemical, electronics, industrial, retail healthcare and pharmaceutical to name a few. [Contact us today to learn more.](#)

**PrintheadSaver® Thermal Transfer Ribbons**

[ITW Thermal Films](#) manufactures, converts, and distributes PrintheadSaver® thermal transfer ribbons (TTR) that cover 95% of today's bar coding applications to customers around the world. PrintheadSaver thermal transfer ribbons for flat head technology printers are available in our standard resin enhanced wax grade, PrintheadSaver® Extreme Series Midrange™ (ESM™) wax/resin and Extreme Series Resin™ (ESR™) formulations for applications requiring a higher level of performance and versatility.

For near edge or corner edge technology printers, our PrintheadSaver® Techno-Edge™ wax/resin and resin ribbons are designed to get the maximum efficiency out of near edge printheads, while providing you with the superior performance characteristics you need for abrasion and environmental resistance.

We look forward to seeing you at Label Expo Europe 2009. In the meantime, should you require any assistance with a current project you are working on, or need additional product information, please feel free to call us at +44(0)116 240 6400, or send an e-mail to: [info@itwextremesolutions.com](mailto:info@itwextremesolutions.com).
